

2023 FRNNG Holiday Lights Tour

Enjoy the light displays around the Field, Regina & Northrop neighborhoods this holiday season! Nothing brightens up the winter nights like holiday lights.

The tour is self-guided and runs each night from 5:30 - 7:30 p.m. on Monday, Dec. 11 through Sunday, Dec. 31.

Please be respectful on your adventure. If you drive the tour, turn off your vehicle at each stop to minimize idling.
